

Spiritual Records Studios

Terms and Conditions

Spiritual Records Studios is an independent recording and writing room based in Chalk Farm located inside the renowned live music venue Spiritual Bar. The studio is equipped with high quality recording equipment and instruments, fully soundproofed and is run by Spiritual Records own Jack Trouble, who is a multi-instrumentalist, vocalist, producer, sound engineer, songwriter/arranger and performer.

Studio Prices

Spiritual Studios runs between 10am-6pm 7 days a week. All recording/writing sessions vary, so to get more of an idea of what you want, send an email to Jack who will be able to give you an estimated quote. Any form of demo recording is also helpful.

The guide prices for a session in the studio are listed below. At the end of each session you will receive a free rough mix and any audio stems on request.

Full day recording with engineer – 8 hours - £250

Half day recording with engineer – 4 hours - £130

Dry Hire (No Engineer) – Full day - £200

These prices also include the full studio backline

Mixing Prices

Mixing prices can vary and is based on a few factors, such as amount of individual tracks etc. To get a better idea on prices, please email Jack and send him an MP3 or WAV of the song/s. below is a rough guide for mixing prices per track. The price and the turnaround for a mix increase depending on the amount of tracks, as it naturally takes longer to finish a mix depending on the amount of individual stems.

Audio Mixing 2-20 stems - £40-70 with 2 free revisions

Audio Mixing 21- 60 stems - £80-£130 with 2 free revisions

Audio Mixing 50-100 stems - £140-£170 with 2 free revisions

Audio editing (tuning, comping etc) starts from £40 per song but please get in contact with Jack for a full quote.

Revisions - 2 free revisions, each subsequent revision will be dependent on each individual mix

Currently, we do not do Audio Mastering but have a number of different engineers that we work with that we can put you in touch with starting from around £35 per song.

Studio Rules

- No food or drink must be consumed within the studio. We also do not allow alcohol in any of our recording sessions. Failure to comply will result in the session being canceled.
- In all full day studio sessions there is a 20-minute break for both the artist and the engineer for lunch.
- All studio sessions require a 50% deposit paid in advance. If the session is canceled 48 hours before, it can be used as a studio credit. However, it is non refundable.
- If a session finishes early, the full amount for the time booked is still owed.
- If you have any other queries before your session please do not hesitate to get in touch with Jack or Rafael in advance.
